

Before the FEDERAL COMMUNICATIONS COMMISSION
Washington, DC 20554

In the Matter of 2002 Biennial Regulatory Review -
Review of the Commission's Broadcast Ownership Rules
and Other Rules Adopted Pursuant to Section 202
of the Telecommunications Act of 1996,
Notice of Proposed Rulemaking,
MM Docket No. 02-277, (rel. Sept. 23, 2002)

To: The Secretary, FCC Commissioners, and Chief, Media Bureau

I am appalled at the effects of media consolidation, particularly the
airing of one particular political viewpoint and of "entertainment" aimed
at the broadest--read, most unenlightened--audiences.

Please stop the consolidation process.

Sincerely,

Roger Green
